

Kindergarten Teacher:

At Sadiq School we pride ourselves on giving students a safe and challenging learning experience in a welcoming Islamic environment. The kindergarten teacher makes a bigger impact on the education of young students with the greatest passion to see kids learn and grow. Each day, the teacher has the opportunity to make a difference in the lives of the children, creating joy in each child's life by teaching through play and hands-on activities.

Core qualifications and requirements:

- Candidate must be a U.S. Citizen, U.S. national or eligible non-citizen to apply.
- Minimum bachelor's Degree in Education or subject area of expertise.
- A minimum of 2 years of teaching experience in the pre-school, Kindergarten or elementary school, desired
- Certification is highly desirable.
- Very good knowledge of child development
- Must enjoy working with children
- Creative and artistic teaching abilities
- Attention to detail
- Great amount of patience and flexibility
- Outstanding communication, interpersonal and leadership skills

Job duties and responsibilities:

- Lead in designing a complete teaching plan
- Follow lesson plans using school curricula
- Design the classroom environment to foster and promote a hands-on learning experience in an Islamic environment
- Organize and manage classroom and social events (during field trips, etc.)
- Design and teach rigorous, engaging lessons using a variety of effective and appropriate teaching methods and materials.
- Teach personal, social and emotional skills
- Use songs, stories and games to motivate children to participate
- Regularly communicate with parents
- Determine children that need extra work
- Engage all the students in daily learning activities
- Evaluate children's performance and progress and offer improvement plans
- Administer placement testing and determine appropriate placement for students at the start of the school.
- Work cooperatively with administrative staff to meet educational needs of the students.
- Maintain a professional commitment by pursuing professional development/continuing education.

- Adhere to New Jersey BOE teaching standards and safety regulation
- Participate parent-teacher conferences
